

# December News Alert

Some important things to remember:

- **Finals are coming!**
  - If you will be taking a final in Disability Services you need to make arrangements NOW! Be sure to pick up a test request form and give it to your instructor so test receipt and delivery plans can be made. Also, you MUST sign up IN ADVANCE with Disability Services to take tests here. Be sure to reserve your time and a computer, if you will be using one! Call the office (970-943-7056) or stop by Taylor 302 to reserve your time.
- **Alternative Text**
  - If you will be using alternative formats of text next semester and do not have an individual account through Learning Ally, you must request your books through Disability Services. Be sure to do this as soon as you register for classes to ensure you receive them on time!
- **Spring Registration**
  - If you haven't signed up for classes yet for Spring, it's not too late. Please stop by the office so we can help you!

Always feel free to call us if you have any questions or need assistance!
