

THORNTON BIOLOGY RESEARCH PROPOSAL

Title of Research Proposal:

Proposal Submitted by: (include all participants, e.g. students, faculty, off campus professionals)

Abstract of Proposal:

Student Research Award:

Amount to be Awarded

Name(s)	Total Amount of Research Award	Fall Year/amt	Spring Year/amt	Summer Year/amt	Withheld until completion
					\$500

Research Assistantships:

Amount to be Awarded

Name(s)	Total Amount of Assistantship	Fall Year/amt	Spring Year/amt	Summer Year/amt

Amount Requested for supplies:

Total Amount of Request:

Date of Submission of Proposal:

Beginning Date of Research Project:

Ending Date:

Date of Submission of Final Report:

Signature(s) of Applicant(s):

Information concerning student applicant(s):

Students must be enrolled during the period of an award (this includes the summer term). Students must be full-time and making reasonable progress toward an undergraduate degree at Western (12 credits, during each 16 week term). Students are expected to have and maintain a 3.0 GPA at the time of application and for each semester throughout the grant period. If a student fails to maintain these standards during each semester of the award, the scholarship and research funds may be revoked. A current unofficial transcript must be submitted with this application. The final reports for any previous grant must be submitted prior to submitting a new proposal. Grant recipients must submit a final report 30 days after the ending date. The maximum research award for a single project is \$3,000.

Proposal must include an introduction or rationale, outline of methods and materials/equipment required, a detailed budget, and bibliography. Please include unofficial transcripts and a summary of interests and qualifications of any student(s) requesting a research award. All student participants must also submit the following questionnaire with their proposal. The duties and responsibilities of research assistants must be included on all proposals. For projects that involve outside personnel (DOW, USFS, other universities, etc.) please provide a short vitae of all individuals involved.

Please email copies to the Thornton Biology Research Committee, c/o pmagee@western.edu

Name: _____

Student ID Number: _____

Address: _____

Phone: _____

Are you currently receiving financial aid from Western? _____

Are you currently a full-time student? _____

Will you be a full-time student during the award period? _____

Are you a candidate for a degree at Western? _____

Intended date of graduation? _____

Cumulative GPA? _____

Prior term GPA? _____
