

# Interview Preparation

## THE VIRTUAL INTERVIEW

### ANSWER #3

*Question: Tell me about yourself.*

1. Incorrect: Normally interviewers want to know about your work habits and demeanor. Detailed information about your personal life is rarely appropriate.
2. Being vague will not set you apart from the competition. When all is said and done, you must be memorable and believable. An overview likely will not accomplish either.
3. **This is the best answer.** Examples are proof of your ability and a sign of confidence. Giving a clear concise example will be more memorable and set you apart from the group. Before the interview, think about the needs of the job and how your personality could be a fit.
