THE VIRTUAL INTERVIEW

ANSWER #8

Question: *How would co-workers describe you?*

1. Incorrect: In most cases this is not the best response. It sounds as though you are a task master and rule with an iron hand
2. Incorrect: This is not the best answer in most cases. While this may be true it could give a signal that you do not get involved as a manager. This opinion could exclude you if the interviewer does not agree with you.
3. **This is the best answer.** This answer depicts a manager who cares about people but is keenly focused on productivity. This answer give clear examples of important aspects of one management style which is largely accepted.
