

Student On-Line Pay Stubs

You can access your paystub at any time using your WOL account at Western. Select the “Employee” tab on the main page and then “Pay Information”.

Your pay information is updated one or two days before each pay day so you can see what your pay will be for the current month.

The page header features the Western State College of Colorado logo and a navigation menu with tabs for "Personal Information", "Student", and "Employee". Below the navigation menu is a search bar and links for "RETURN TO MENU", "SITE MAP", "HELP", and "EXIT". The main content area is titled "Employee Services" and lists several links: "Benefits and Deductions" (with a description: "View your retirement plans, health insurance information, flex spending accounts, dependent information, or miscellaneous deductions."), "Pay Information" (with a description: "View your pay stubs, direct deposit breakdown, or earnings and deductions history."), "Tax Forms" (with a description: "View your W-2 or W-4 information."), "Current and Past Jobs" (with a note: "(Since 1991 Banner implementation)"), "Time Off Current Balances and History", "WSC File Upload" (with a description: "Upload file and set user level parameters"), and "Orientation Administration" (with a description: "This is where Orientation sets up sessions, wbo trips, relationships."). At the bottom of the page, there is a "RELEASE: 8.6.1" notice. The browser's status bar at the bottom indicates "Local intranet | Protected Mode: Off" and a zoom level of "100%".
