Dear Petitioner:

Your Tuition Classification Petition may appear to be long and complicated. Because the Colorado tuition classification statute lists many factors that are relevant to determining in-state eligibility, the petition necessarily addresses all pertinent information. We will make every effort to assist you in completing the petition items and to advise you about obtaining appropriate documentation consistent with the statutory requirements for in-state tuition. Prior to starting an application, please visit the Department of Higher Education website and review the criteria for being considered for in-state tuition at <http://highered.colorado.gov/Finance/Residency/> We encourage you to carefully read the information at this site prior to asking questions of the staff as most answers can readily be found in reviewing this information.

After reviewing the information at the website above, if you feel you might qualify for in-state tuition, we encourage you to insure that you receive a prompt response to your petition by providing all information specified by the petition. Read each item carefully. If you are not sure what documentation to provide or how to obtain documentation, please ask! **Please do not submit an incomplete petition.** A decision on your petition may be substantially delayed or may result in a denial if all information is not submitted.

Common concerns regarding completing the petition include:

- Petition item 3.b (**proof of place of residence**): Be sure to provide evidence of your place of residence in Colorado going back at least to the Domicile Qualifying Date listed in the Instructions and Deadlines (back of this sheet). Acceptable evidence includes a copy of your lease, statement from your landlord on letterhead or a notarized statement from roommates.
- Petition item 4.f: Be sure to provide complete copies of *all* state and federal tax returns filed for the past two years (if you lived in Colorado during all or part of those years).
 1. **Colorado returns**: If you filed your Colorado return as a part-year resident or nonresident, be sure to include a copy of *Form 104PN* (the part-year/nonresident apportionment schedule). If you do not have personal copies of your returns, you may obtain copies of Colorado returns from the Colorado Department of Revenue, telephone 303-238-7378. Best method: Download request form from <http://www.revenue.state.co.us/PDF/dr5714.pdf>; mail form to address on form or FAX to 303-289-6122.
 2. **Federal tax** information is available from the Internal Revenue Service, telephone 800- 829-1040. For copies of **tax returns from other states**, you should consult the appropriate agency in that state.
- Petition item 6.c (**voter registration**): your driver's license serves as evidence of voter registration *if the letter "Y" appears next to the word "voter"*. If not, contact the Gunnison County Clerks office at 221 N. Wisconsin for verification of your voter registration.
- Petition item 9.c (**date of previous Colorado driver's license**): this is available from the Colorado Driver's License Examiner at 221 N Wisconsin St # C.
- Petition item 15.a: Be sure to provide a *complete* list of all **sources of financial support** and provide *complete* documentation for each source including where funds originated within different accounts.
- Petition item 19: Be sure to have your signature **notarized**.
- Petition item 20 (if applicable): Be sure your **parents** provide accurate and complete information on this form and that their signatures are **notarized**. If the signature of one parent cannot be obtained, provide a signed statement from the other parent explaining the circumstances.

Your petition will be evaluated using the criteria established by law. Current guidelines by the Office of the Attorney General can be accessed at http://highered.colorado.gov/Finance/Residency/Guidelines_2009.pdf.

The burden of proof by law is on the petitioner to provide clear and convincing evidence of eligibility. The College reserves the right to require evidence in addition to the items specified in the petition when appropriate.

Please be sure to read the petition instructions carefully. Fill out all questions required for your petition status. Omission of required documentation will delay any decision on your petition and may result in a denial of your petition. If you have questions regarding tuition classification or the petition, please contact Tim Albers at 970 943 2119 or talbers@western.edu

Information for Petitioners

Petitioner Determination. If one year prior to the first day of class of the academic term for which you are petitioning you were 22 years old, or were married, or were emancipated from your parents, you must petition for yourself. Otherwise, a parent or court-appointed legal guardian must petition for you. This petition will then be based on the parent's or guardian's information and you will qualify for in-state residency only if your parent or guardian qualifies. This person must have been your parent or guardian for at least one year before the first day of classes for the term for which you are petitioning. If your parent or guardian moved to Colorado after your 21st birthday, and you were not 22 years old as of the beginning of the 12-month period, both you and your parent or guardian must submit petitions; you need not complete items 16 -19 and 22 in this situation. For students who first enrolled at a public institution of higher education in Colorado for the Fall Semester 1996 or earlier, these ages should be decreased by one year.

Legal Guardian. If the petitioner is your court-appointed legal guardian, enclose: (1) a copy of the court decree or letters of guardianship, as appropriate; (2) a statement from the court affirming that your parents, if living, do not provide substantial support to you as a minor child; and (3) a statement from the court certifying that the primary purpose of such appointment is not to qualify you as a Colorado resident for tuition purposes.

The 12-Month Domicile Period. In-state status requires domicile, or legal residence, in Colorado at least one year before the first day of class for the term for which you are petitioning. Depending on your age and marital status, this 12-month period may apply either to you or to your parents. The only exceptions provided by statute to this 12-month period are for active-duty military personnel on permanent duty station in Colorado, for certain Olympic athletes, and for former Colorado residents who have resided outside Colorado for less than one year.

The Phrase "12 month domicile period" refers to the 12 months immediately preceding the first day of class of the term for which you are petitioning.

YOU MUST ANSWER ALL QUESTIONS IN THE PETITION. IF YOUR ANSWER IS "NONE" OR "NOT APPLICABLE", SO INDICATE. IF YOU DO NOT HAVE ROOM FOR A COMPLETE ANSWER, ATTACH ADDITIONAL SHEETS. FAILURE TO INCLUDE ALL REQUIRED DOCUMENTATION MAY DELAY PROCESSING AND MAY RESULT IN REJECTION OF YOUR PETITION.
