## Application for Summer Aid

Priority Deadline **May 1, 2010**

---

**Summer financial aid is very limited.**

Students who were eligible for Pell Grant during the current year and received the full amount for Fall and Spring Terms may be eligible for additional Pell Grant for the Summer term.

Some student loans may be available for students registered in a minimum of 6 credit hours for the Summer term. Student loan amounts for summer will depend upon previous amounts borrowed and your official grade level. Also, if you receive other forms of aid your loan amount may be reduced.

Work-study opportunities will be determined on a case by case basis based on hiring department budgets.
